## RE-LAUNCH OF THE BEDFORD PARK RESIDENTS ORGANIZATION

Hello Bedford Park Residents!

This is the second communication to you from the **Bedford Park Residents Organization (BPRO)**. Back in October, we informed you that a small group of your local neighbours were in the process of reviving the local residents group for the Bedford Park community. Today, we are excited to officially introduce the re-launch of BPRO. And, we want YOU, as residents interested in the well-being of this neighbourhood, to be the first to know!

This January, BPRO will be launching its membership campaign to all households in the catchment area. We are reaching out to you now because we would like you to become our inaugural members and help spread the word to your neighbours.

Please visit our new website at [www.bprotoronto.ca](http://www.bprotoronto.ca) to learn more about BPRO and become a member. The first step in our membership drive will be a flyer delivery to each household in our area, followed by a door-to-door campaign encouraging all residents to become members.

This is where we need YOUR help! Can you spare a couple of hours in January to help deliver flyers on your street? If you can, please email us at [info@bprotoronto.ca](mailto:info@bprotoronto.ca) within the next week so we can plan for our January launch.

Thank you, in advance, for your support of the wonderful place we live, where your community voice is more important than ever before! We hope to hear from you soon.

Happy Holidays!
