SAVE OUR RAVINES MEETING

Hello Bedford Park Residents!

Please see below, notice of a meeting being held by our new Ward 8 Councillor, Mike Colle, that may be of interest to you.

Please join me on **Monday, January 21** for a public Town Hall meeting to Save our Ravines.

The University of Toronto's Faculty of Forestry recently released the Toronto Ravine Revitalization Study, warning about the dire health of Toronto's ravines. "...over the past 40 years the biodiversity and ecological health of Toronto's ravines has declined to a critical level and is now likely on the edge of ecological collapse...However, if widespread, science-based action is taken soon, then it is possible that the Toronto ravines can be restored to a healthy state."

The public Town Hall meeting will provide an opportunity to hear from key expert stakeholders, participate in meaningful discussion and help develop a comprehensive public response to this threat so we can mobilize and Save our Ravines.

Date: Monday, January 21, 2019
Time: 7:00 p.m. - 9:00 p.m.
Location: The Gwen Liu Meeting Room, Northern District Public Library (40 Orchard View Blvd)
