1st Annual Garden Contest It's Time to Register

Hi Neighbours,

We hope you've seen the BPRO door hangers and flyers posted around the neighbourhood, encouraging everyone to enter their gardens in our very first Garden Contest! Now is the time to register.

Our contest will honour the efforts of those who make their property, and our neighbourhood, beautiful! Contestant gardens should be self-maintained (no professionally landscaped gardens, please), but after that anything goes! Judges will be looking for interesting colours and shapes that last through the growing season. You like mixing veg and flowers? So do we. You like shrubs and annuals? Us too. All gardens will be viewed by our judges in their context and, of course, with social distancing in effect. And, of course, there are prizes!

The contest is open to all members of BPRO. **If you're already a member, all you need to do is register by emailing us at info@bprotoronto.ca.** Please be sure to give us your name and address and tell us whether you are entering your front garden or back.

If you're not yet a member of BPRO, we hope, even if you decide not to enter the contest, that you will join our organization. Check us out at www.bprotoronto.ca for lots of reasons to do it. If you choose to support our efforts, please click on *Membership* and follow the prompts.

We're looking forward to entries from the beautiful gardens that are already popping up all over Bedford Park. Join us. Stay safe. Care for each other. Get to know a neighbour. And have some fun gardening while you do all of that!
