

**Date:** July 20, 2020  
**Subject:** Resident Organizations Collaborate

## AVENUE ROAD & LAWRENCE

BPRO previously communicated information and current timing regarding this proposed development, which can be reviewed in past newsletters (Dec/19, Jan/20, Jun/20), or by visiting the *Initiatives\Development* section on our website at [www.bprotoronto.ca/category/development](http://www.bprotoronto.ca/category/development).

We're writing now to let you know that we have met with our neighbouring resident organizations (Lytton Park Residents' Organization, South Armour Heights Residents' Organization and Upper Avenue Communication Association) and submitted a summary of our collective concerns to Councillor Colle and the City on July 10. Our intent is for the four organizations to collaborate and coordinate feedback to the City regarding this development wherever possible.

All documents pertaining to the submitted plan can be viewed on the City's website by clicking [HERE](#). These can also be found on the development's website, [www.avenuelawrence.ca](http://www.avenuelawrence.ca), where there is a link on their homepage to provide feedback or questions – we strongly encourage you to do this. And, of course, please feel free to send us any questions or comments you may have as well, to [info@bprotoronto.ca](mailto:info@bprotoronto.ca).

As previously mentioned, there will be a *Community Consultation Meeting*, at the earliest sometime in the fall. We will continue to keep you informed of all important dates and activity.

We hope everyone is having a lovely safe, healthy summer!
