### ***This is where we can be heard!***

The City has announced a virtual Community Consultation Meeting regarding 3180 Yonge Street on Monday May 3, 2021 at 7 pm. Please hold this date in your calendar and watch for an upcoming email from BPRO with registration details.

It will be important for us to have maximum attendance to influence change. Also, please watch for details coming soon about our email and letter-writing campaign. Even though the meeting has been scheduled with very little notice for residents, we can still make our voices heard!

(As of the time of writing, the City has not yet posted the registration details for the meeting. As soon as they do, we will share the information.)
