Dear Councillor Robinson,

My name is Ted Butler and I am the President of the Bedford Park Residents Organization (BPRO).

I just wanted to express sincere thanks on behalf our neighbourhood for the energy and clear-thinking you brought to last night's Community Consultation Meeting. It was a pleasure to hear stories of your connection to days' past of the 3180 Yonge Street site.

In these days of COVID and WebEx meetings, it is that much more difficult to push back against such egregious development applications as the one submitted by NYX Capital, but with your help and strong message, we feel we made our point in an overwhelming fashion.

More than 450 attendees and nearly 250 letters, along with some great Q&A participation from the area residents, should be a clear demonstration of just how opposed BPRO is to this application.

Thank you for joining the fight and we look forward to your continued support in the weeks and months ahead.

Please feel free to have your staff reach out to us if there is anything we can do for your office.

Sincerely,

Ted Butler
